

Phoenix Industrial Park is a prime leasing opportunity of next-generation industrial spaces in a central Surrey location along the Pacific Hwy. Featuring two buildings totaling 48,000 sf, this state-of-the-art facility is complete with high-quality amenities to facilitate all your business needs such as 40 ft ceilings, large loading bays and ample parking.

Phoenix Industrial Park provides businesses with an invaluable strategic advantage thanks to its location. Being in close proximity to major connectors like Fraser Hwy, Pacific Hwy and BC Hwy 10, this location is the perfect vantage point to access key transportation routes and communities throughout the Lower Mainland. You'll also be only minutes from numerous professional services and retail options found in the heart of Cloverdale.
